Principal: Shaun Robert

Shaun and Linda Robert started building custom homes in 1997 with a passion for providing unparalleled customer service from beginning to end—regardless of price, size, design or location of the home. Big Sky Enterprises builds custom homes throughout the Valley from Cave Creek to Gold Canyon, as well as Prescott and Show Low. Building a partnership with each customer and working together on plan design, budget, permits, construction and warranty helps create a long-term relationship customers can count on. Customers are not passed from one person to another throughout the construction process of their home; they get the owner each step of the way to provide them with individualized service. Whether you are a first-time custom home buyer, a family looking to expand, a retired couple or an investor, Big Sky Enterprises provides quality, integrity and personalized service from concept to completion.
